CLASS DUES AND FSA DUES

Each year, the South End FSA collects both FSA Dues *and* Class Dues from each family. These dues support our students with larger, school-wide efforts as well as support our kids at the classroom level. This year, **FSA Dues will be \$10 per family** and **Class Dues are per student and vary by grade**.

- **FSA Dues / \$10 per family** - These contributions help offset the costs of many materials and efforts paid for by the FSA each year. This includes Kindergarten pencil boxes, planners for grades 2-4, 4th grade recorders, end of year field trips, cultural assemblies and more. FSA dues are paid ONCE per family (regardless of how many children you have at South End).
- **Class Dues / per student based on grade** - These funds support in-class activities, crafts, classroom parties and also fund teacher and aide holiday and year-end gifts. They vary based on the types of celebrations/activities associated with each grade. (Note that K, 1st and 4th are slightly higher due to more crafts/activities for the younger classes and extra funds needed for 4th grade social.) Class dues are paid PER STUDENT and break out as follows:
 - **Kindergarten, 1st and 4th grades are \$25 per student**
 - **Pre-K, 2 & 3 are \$20 per student**

For example, if you have one 1st grade child at SE, you would pay \$10 for FSA dues and \$25 for Class Dues (\$35 total). If you have a child in 1st and 3rd, you would pay \$10 for FSA dues, plus Class Dues would be \$25 and \$20 for your children, totalling \$55.

All Dues will be collected in person in your child's classroom at Back To School Night on Thursday, 10/6. They will be collected at the end of each teacher's session. **If you are unable to attend, you can send the dues into school with your child in an envelope clearly marked FSA Dues. Please include the attached slip of paper.** Dues can be paid in cash (exact change preferred and appreciated!) or check, made payable to **South End FSA**.

If you have any questions, please reach out to SouthEndFSA@gmail.com
