Dear Parent/Guardian,

The Cedar Grove Public School District is pleased to announce that we will once again be offering an Integrated Preschool Program for the 2024-2025 school year. All interested parents are invited to attend our Integrated Preschool Program "Open House" on Monday, February 12th, at 1:30pm at South End School or Tuesday, February 13th, at North End School at 1:30pm. Please report to your home school, if you are unsure what school your child will attend please contact me.

*What is an Integrated Preschool Program?\**

The Integrated Preschool Program (IPS) is different from other preschool programs in that it incorporates the education of general education preschoolers with preschoolers with special needs. Students with special needs are placed in the program through an evaluation process performed by the Special Services department. Highlights of the program include:

- Creative Curriculum - State-approved
- Integrated Motor Skills
- Music Therapy
- Technology - Use of iPads, Smartboard. Chromebooks
- Group Social Skills

***\*Please note: In order to be accepted into the IPS program, children MUST BE TOILET TRAINED. There are no exceptions.***

*The age range is 3-4 years old with no child turning 5 before October 1, 2024.*

*All children in the program will attend five days a week (8:25 am - 3:05 pm).*

*Application Process*

Applications for general education students will be accepted until 3:00 pm on Monday, February 26, 2024. If the number of applicants exceeds the available spaces, accepted students will be determined by lottery. The lottery drawing, if necessary, will take place on Tuesday, February 27th in the LRP administrative building located at 520 Pompton Avenue. A waiting list will be developed consisting of additional names in order of the draw. Parents will be notified via email of acceptance into the IPS Program by Thursday, February 29th.

*Tuition and Payment Process*

To subsidize the cost of this program, tuition for each general education child will be in the amount of \$7,166.00. Each family that is accepted into the program will be required to submit a \$500 non-refundable deposit at the time of registration. Tuition may be paid in full or you may take advantage of our convenient monthly payment plan.
