

CEDAR GROVE HIGH SCHOOL
Association of Parents and Teachers
(APT)
DIRECTORY PERMISSION FORM
2024-2025

Dear Upcoming Ninth Grade Parents/Guardians:

The Cedar Grove High School APT is creating a new directory for September.

We will not receive your information from the middle school office

If you would like your child included in the directory, please complete the form below. The directory will list each family's address, telephone number, email address, parents' names, students' name(s), and grade(s). We suggest including an email address that is used on a regular basis as we will be using this email to send you information on events happening in the high school.

We hope you will find this directory to be a worthwhile resource throughout the school year!

Please complete the bottom portion of this form and email to **cghsaptdirectory@gmail.com** July 24, 2024.

If you have any questions, please email at **cghsaptdirectory@gmail.com**.

Thank you.
